

Transcript ordering  
as mobile as  
your students

## Next Generation Transcript Experience

Ordering transcripts is faster and easier than ever. Your students and alumni can quickly and securely order their transcript wherever they are, whenever they have a moment, so they can get back to their lives and you don't have to interrupt yours.

### Easy

- Intuitive interface and navigation simplifies ordering
- Progressive display anticipates user's needs
- Smart form design minimizes data entry
- Dynamic validation reduces errors

### Fast

- Up to 50% faster than existing ordering solutions
- Designed to optimize speed and performance
- Loads quickly and keeps user apprised of progress

### Mobile

- Built for mobile users
- Touch friendly interface
- Responsive design works seamlessly across all devices

### ... with Even More Ways to Speed Up Your Transcripts

Only the Clearinghouse's end-to-end solution automates all areas of your transcript processing and delivery to enable **24/7 touch-free worldwide quick delivery**, including full SIS integration.
